## LA FABRIQUE DES RÊVES N°2

VASE - 2021

Design by KIKI VAN EIJK

Dutch artist and designer Kiki van Eijk has designed this series of vases, by splicing together recognizable components in unusual combinations. Each object is an assembly of colours, forms and materials like solid wood, glass, ceramics and metal.

| MATERIALS & FINISHES | PRODUCT NO                                                                            | COLORS                                                                                                                                                                                                                                                                                                                                 | MATERIALS                                                   |
